

**wheatbelt**  
natural resource  
management

# **Wheatbelt NRM 3 Year Plan 2021–2024**

**Our work empowers  
people of the Wheatbelt  
to make positive  
change in their local  
environment, and  
creates a legacy of  
community action.**

## Our Vision

A vibrant Wheatbelt community creating healthy environments and livelihoods.

## Our Mission

Lead positive change in natural resource management through the creation of respectful partnerships, innovation and community action.

## Our Values

- Respectful
- Accountable
- Encouraging
- Inclusive
- Working Together
- Agile

## Creating a Legacy of Community Action

### Objectives

Community Action	Healthy Environments	Connection to Country	Enterprise Growth
<i>Inspiring community to take positive action</i>	<i>Creating lasting change to achieve a resilient environment</i>	<i>Strengthening the relationship between people and land</i>	<i>Growing Enterprise opportunities</i>

### Strategies

<ul style="list-style-type: none"><li>• Build knowledge with the community</li><li>• Enhance community networks</li><li>• Provide opportunities for action</li><li>• Broaden the membership base</li><li>• Support sustainable industry diversification</li></ul>	<ul style="list-style-type: none"><li>• Improve the condition of the natural assets of the region</li><li>• Improve the condition of the agricultural land asset</li><li>• Explore solutions through research and innovation</li><li>• Create and protect diverse landscapes</li><li>• Build resilience to a changing climate</li></ul>	<ul style="list-style-type: none"><li>• Support the aspirations of the Aboriginal community to work on country to protect culture and knowledge</li><li>• Promote responsible land management across all sectors</li><li>• Inspire the community through all our stories of success and connection</li></ul>	<ul style="list-style-type: none"><li>• Diversify the income stream to reduce reliance on Government investment</li><li>• Invest organisational funds to drive community action</li><li>• Develop partnerships to leverage environmental outcomes</li><li>• Commit to continuous organisational improvement</li><li>• Improve recognition of the organisation’s strategic direction</li><li>• Develop economic outcomes for the Aboriginal community through work on Country</li></ul>
