Making more from Summer Ground Cover - Options for feed gaps

Want to know more about the innovative ways local farmers are maintaining summer ground cover?

Can you improve fodder options for your livestock?

In this interactive workshop:

JOIN a field walk with Brookton farmer Kane Page and see his forage shrubs and kikuyu with serradella plantings.

HEAR about ground cover options with ag consultant Phil Barrett-Lennard.

LEARN confinement feeding methods from Goomalling farmer Dan Dempster.

DISCOVER best practice in livestock health & nutrition.

Event Details

When: Wednesday 10 March, 8.30am - 12.45pm

Address: 2173 Brookton-Corrigin Rd, East Brookton WA 6306.

Guests to muster at farm entrance on arrival.

RSVP is Essential

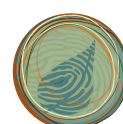

To register call Bonny Dunlop on 0477 885 514 or email bdunlop@wheatbeltnrm.org.au
